

My love,

I know that you're going through a lot right now. I'm sorry that I put you in that situation and hurt you. I just want you to know that I'll always be here by your side no matter what. I won't leave you with a scar. I really want to help you heal and overcome the issue. It doesn't matter if you will still love me back because I just genuinely want to be there for you. I love you so much and I won't forgive myself if I'll leave you when you are in so much pain. I love you baby.

Paul
